## Ringgold County Hospital Foundation

The Ringgold County Hospital Endowment Fund was established within SCICF on October 1, 2001. The purpose of the fund is to create an investment that will promote and enhance quality health care services for the residents within our service area. Funds are used to provide needed capital improvements, technology enhancements, equipment upgrades, and to establish new programs and services. The power of our endowment fund comes from your gifts! Your gift of any size is greatly appreciated and all donors will be acknowledged with a combination thank you letter and tax receipt.

Melissa Snell  
Clarke County

My name is Melissa Snell I grew up in Osceola. My husband Merrill and I live east of Osceola, we have two daughters Megan 21 and Macey 16.

I have worked at Clarke County State Bank since 1989. I hold the position of Personal Banking Officer.

I enjoy spending time with my family, working outside in my yard, planting flowers, mowing, working in the garden, and canning pickles and salsa.

I have been on the South Central Iowa Community Foundation board for several years and have enjoyed meeting everyone from each county and learning about endowments and the foundation.
