

South Central Iowa Community Foundation

“Our mission is to contribute to a better life for the people of South Central Iowa by helping donors carry out their charitable intent and by providing responsible stewardship of gifts for community purposes.”

As humans it is our natural intent to give and so many want to give back to the community that we live in and love. How can you give back? Contribute to one of our many Union County endowment funds. It is the gift that keeps giving to ensure that these organizations continue to survive, prosper and support our community.
